

## PRESS RELEASE

**Date: 28<sup>th</sup> October 2025**

### **Amiga appoints Martin Mills as Non-Executive Chairman**

**Martin Mills, founder of travel insurance specialist Millstream, has joined to lead the Board of Amiga Specialty effective immediately.**

Mills built Millstream into a leading travel and personal accident business from the ground up and joins Amiga to enhance the MGAs non-executive corporate governance.

Adam Kembrooke, Founder and Managing director of Amiga Specialty, said: “Bringing someone of Martin’s calibre to the Board is a hugely positive step for Amiga. His dedication, drive and experience will support us with our ambitious growth plans. Having such an inspiring figure on the team will be hugely beneficial and as a market leader in travel and PA, having Martin on board will undoubtedly open opportunities in that space too.”

Most recently, Mills was Non-Executive Director for Millstream which specialised in travel, pilots’ loss of licence and yachts. The business was acquired by Nexus Underwriting in 2015 and Mills exited in 2023 when Nexus was bought by Brown & Brown.

Mills commented: “Amiga Specialty is developing quickly and building an excellent team. I’m pleased to join the line-up at such an exciting stage of the MGA’s journey. I look forward to providing the business with the scope to expand its specialty underwriting capabilities into product areas akin to the eponymous MGA that I built.”

**Ends**

### **About Amiga Specialty**

Amiga Specialty is an independent international Managing General Agent (MGA) headquartered in London, specializing in underwriting specialty lines insurance for blue-chip clients. Established in May 2025, Amiga is financially backed by B.P. Marsh, a publicly listed investment company with deep expertise in the insurance sector. Amiga combines technical underwriting excellence with a client-focused approach to deliver tailored insurance solutions across global markets.
